

THE SUPREME EQUIPS OWNERS AND OPERATORS WITH A SLINGER THAT COMBINES RELIABILITY AND PERFORMANCE TO ACHIEVE EXCEPTIONAL RESULTS.

THE SUPREME

TOUGH, DURABLE, RELIABLE

At CanAmerican, we strive to provide only the best and highest quality products.

Packed with the essential features that a traditional slinger has, the Supreme offers a focused functionality that optimizes your business needs.

- ✓ Throwing distances of 120 feet.
- ✓ Throw conveyor capable of virtually any angle while spreading.
- ✓ Clear lines of sight when operating the slinger.
- ✓ Unmatched parts and service support.
